Dear all,
You are about to fill in the pre-registration form for the Spring School organized by the KIM Food&Health.
Your answers will allow us to better understand who you are (your background), what knowledge and skills you already have, as well as your expectations, and motivations.
The questionnaire is 2 pages long and will take you no more than 3 minutes to complete (french or in english version).
Before pre-registering, we remind you of the characteristics of this course:

- **Priority audience**: PhD students and young researchers (3 years maximum after PhD). The end-of-day lectures will be open to M2 students upon registration.
- **Year of thesis**: 2021 - 2022
- **Field**: Food and Health
- **Keywords**: food, health, risk factor, innovative tools, multicriteria analysis, interdisciplinarity
- **Duration of the training in hours**: 27 (Hours validated by the PhD school)
- **Training period**: From 2022-04-04 at 12:30 to 2022-04-08 at 12:30
- **Registration deadline**: 202-03-28
- **Languages**: French and English
- **Frequency of the course**: 1 time
- **Location**: Club Belambra de la Grande Motte, Rue St Louis 34280 La-Grande-Motte

We are looking forward to giving you the keys to move towards more interdisciplinarity and innovation,
Best regards,
The organizing team
First & last name: ____________________________

Name of the Doctoral School / Master (M2): ____________________________

Year of thesis (1,2,3) (if thesis in progress): ____________________________

Year of obtaining PhD (if thesis defended): ____________________________

Do you have any knowledge in the health sector?

☐ YES ☐ NO

If yes, through which course of study?
